**New Coaches Webinar**  
Getting Off the First Rung and Climbing  
the Coaching Ladder

ICF-OC is offering a series of New Coaches Webinars for coach-curious and for new coaches who could just need a little help in getting started

**New Coaches Webinar:**

- ✓ Do you have questions about how this coaching world works?
- ✓ How does one start a business of coaching?
- ✓ What certifications do I need?
- ✓ What resources are available in the community?
- ✓ What role does the ICF play?
- ✓ How do I make money as a coach?
- ✓ How much should I charge?
- ✓ What are the paths of certification?

As more seasoned coaches we get asked a lot of questions by new coaches. They are the same questions we asked when we started.

**ICF-OC wants to jump-start your entry into the coaching world.**

This webinar will have a small panel of seasoned coaches who will offer answers to some of the key questions new coaches want to ask.
